Faith Community Academy

Family Statement of Commitment

Student's Name: _____ School Year: _____

Faith Community Academy seeks to be a community in principles and practices. Our mission for excellence can only be fully realized by parental reciprocal support of our programs and policies. FCA looks forward to a prosperous relationship with parents in the best interest of the children.

Therefore, as a family with a student or students enrolled in FCA, we the parent(s)/legal guardian(s) agree to the following:

1. Our student is being enrolled for the full academic year. Should early withdrawal be a possibility, we agree to fulfill the policy outlined in the Parent Handbook regarding early withdrawal.
2. We have carefully examined and agree to support the purpose and educational philosophy of FCA and desire the school to work with us in the education of our child.
3. All responsible parties for this student have read the Parent Handbook and agree to accept and support all policies as presented. We agree to accept and support any amendments for this school year.
4. We understand that the school reserves the right to dismiss, suspend, or otherwise discipline any student who does not adhere to the rules and standards of Faith Community Academy or any student who becomes incorrigible or detrimental to the welfare of others or the purposes of FCA.
5. We authorize FCA to administer any necessary discipline (FCA does not use corporal punishment). Disciplinary action may take a variety of forms. Teachers or administrators will use a variety of forms of discipline and will contact parents/guardians when further discipline is needed.
6. We understand that the school will provide competent teachers, a full and balanced curriculum, regular reporting, oversight of the Principal, and cooperation with the home. We further recognize that the school is not equipped to handle the education needs of all children. We will submit copies of all previous tests and submit to additional testing of our child. We also acknowledge and respect the authority of the Principal to determine our child's teacher and grade level placement.
7. We pledge our loyalty to the purposes and ideals of the school and will bring any and all questions and criticisms directly to our child's teacher, so that they may be properly dealt with by those in authority. When we have appropriate suggestions and input to improve the school, we will take these to the Principal or other Pastoral designee.
8. We agree to seek to resolve any conflicts with FCA parents, faculty, staff, and administration in a mature, Christian manner consistent with the example given in Matthew 18:15-16. If unable to support FCA's policies or decisions in word and in deed at any time, we the parent(s)/guardian(s) agree to respectfully withdraw from FCA. We understand that if we do not withdraw due to our lack of support, the school reserves the right to administratively withdraw our family from FCA.
9. We understand that gossip, backbiting, and private agendas are counterproductive to the school's mission and the child's success. Therefore, we will exercise self-control and trust in the school and church leadership and handle our concerns in an appropriate manner. Consistent failure in this area is grounds for removal from FCA.
10. We recognize that tuition and fees do not cover the total cost of a Faith Community Academy education. In light of this, we will prayerfully consider what our family can do in order to contribute in addition to our payments (fundraisers, parent participation, volunteer efforts, gift-giving).
11. In full cooperation with the school we understand that it is our parental responsibility to enforce policies with the student as outlined in the Parent Handbook. This includes but is not limited to: late arrival/tardy policies, dress code, parking lot pick-up and drop-off and traffic guidelines, homework, and parent participation.
12. We understand, as the financially responsible adult(s), that all tuition and fees listed in the Tuition, Fee, and Discount Schedule are applicable to our student as the conditions are met. We agree to abide by the financial policies as outlined in the Parent Handbook.
13. Extended Care is billed monthly according to my use and is defined in the Tuition, Fee and Discount Schedule.
14. This document is understood to be legally binding, and we have read and do agree to comply with the above commitments.

_____ By initialing here, we understand that personal information including but not limited to phone number, email address, and photos of the children may be shared according to the personal information policy outlined in the Parent Handbook.
